

**Job Title:** Civil Engineering Technician

**Location:** Des Moines

**Position Type:** Full Time

LT Leon Associates is a growing civil engineering firm located in Des Moines, Iowa. We were established in 2009, with a focus on water resources and sustainability. We provide engineering, conservation, landscape architecture, and planning services to multiple market sectors and project areas throughout Iowa and the Midwest. At LT Leon we are *engineering an improved standard of living*.

**Job Description:**

LT Leon Associates is currently seeking to hire a full time Civil Engineering Technician to join our team of engineers and technical specialists. This position supports our engineering and conservation work through research, field work, and preparing technical reports. Project types include roads/highways, streetscapes, municipal infrastructure improvements, drainage improvements, stream restoration, and site planning.

The successful candidate will contribute to the continued growth and success of the business.

**Responsibilities may include, but are not limited to:**

- Work collaboratively on a variety of engineering projects under the direction of Engineers and Project Managers.
- Prepare plans, specifications, submittals, and technical reports.
- Provide field assessment and surveying support.
- Assist with design of site, grading, utilities, drainage, and erosion control.
- Assist with hydrologic and hydraulic modeling.
- Assist with preparing submittals and permitting for agency and city approvals.
- Construction administration assistance, including construction inspection.
- Conduct quality control reviews.
- Coordinate with staff, subconsultants, clients, and agencies.

**Qualifications:**

- Associate's degree in Civil Engineering Technology or related technical field; Bachelor's degree in Civil, Agricultural, or Environmental Engineering, Environmental Science, or Natural Resources related degree.
- Strong communication skills.
- Strong organizational and analytical skills.
- Preferred – Relevant computer skills: Microstation/Geopak, AutoCAD/Civil 3D, ArcGIS.
- Preferred – Experience preparing engineering plans, specifications, and cost estimates.

**Perks:**

- A competitive salary and benefits package is offered. Compensation is based on the applicant's experience and qualifications.
- A fun and casual, but professional, office environment.
- Ongoing professional development and training is offered.

LT Leon is an Equal Opportunity Employer. All qualified applicants will receive consideration for employment without regard to age, race, color, religion, sex, gender identity or expression, national origin, disability status, genetics, sexual orientation, protected veteran status, or any other characteristic protected by federal, state, or local laws.
